WHAT YOUR CONTRIBUTION WILL SUPPORT

For 21 years, La Maestra has been a change agent and anchor for refugees, immigrants and native-born residents in San Diego's lowest income and most diverse neighborhoods, providing comprehensive healthcare and support services through its Primary Care, Adult, Pediatric, Geriatric, Women's, Urgent Care, Imaging and Telemedicine Centers, laboratory, pharmacy and food pantry as well as mental health, dental and optometry clinics, health education and outreach, housing, job placement and training, microcredit, financial and environmental literacy programs.

In 2010, La Maestra made history by becoming one of the first USGBC LEED® Gold certified community clinics in the country, showing that it is possible for small, non-profit health clinics to be at the forefront of sustainable design, and raising awareness that "healthier" health facilities should be an integral part of patients' care and a community's commitment to the environment. This state of the art facility houses all of La Maestra's health and social services in a one-stop resource center designed to be culturally welcoming for families. La Maestra's new health center has been constructed with sustainable, recycled and locally sourced building materials and energy-saving techniques.

With your support, we can continue to expand access to innovative services for the underserved.

SIGN ME UP!

If you would like to sponsor La Maestra's Annual Golf Tournament, contact Lindy Webb at (619)584-1612 ext. 3021 lindy@lamaestra.org
