For the past three years, Meridian Baptist Church has hosted a community block party during the month of July. During this event we provide free food and games with prizes for those attending. We also invite several non-profit community service agencies to supply volunteers to staff booths and provide information on how they can assist the members of our community. These difficult economic times make this event even more valuable. The entire event is free to the community; Meridian church underwrites the majority of costs. Over the years organizations that participate have included the El Cajon Police and Fire Departments, East County Transitional Living Center (formerly Set Free Ministries), Vision San Diego and The American Red Cross. .

To help with the cost of this event, we are making appeals to companies in the community that would like to help with sponsoring the community block party. Any company can help by providing funds in the form of a grant or by donating goods and services. All funds and gifts are tax-deductible and we will provide the proper documentation of your contribution.

Thank you in advance for your consideration and support. If you have any questions, please feel free to contact me at the church office. The phone is (619) 444-3171.
