

COMMUNITY RESEARCH FOUNDATION

JOB ANNOUNCEMENT

PLEASE POST IMMEDIATELY

Community Research Foundation has the following opportunity available to all interested candidates.

Title:	Licensed Bilingual Assessment Specialist	Facility:	Jane Westin Wellness & Recovery Center
Category:	Full-Time	Location:	Downtown San Diego 1568 6th Avenue San Diego, CA 92101
Exempt Status:	Non-Exempt	Reports to:	Program Director

Program Summary

Jane Westin Wellness & Recovery Center provides urgent, psychosocial assessment and psychiatric services in an outpatient setting to the culturally diverse adult population of San Diego's Central Region. The emphasis of our treatment is on stabilization of the client with a psycho-social rehabilitation orientation, then linkage to on-going care in the community. Respect for the client is a core value, and our staff work closely with all of our clients to develop individualized discharge plans that focus on their strengths, needs and abilities. We encourage the participation of family members in the recovery process. Our community holds a wealth of knowledge and experience, and including additional people in the support systems of our clients holds the benefits of improved health and stability.

Position Summary

Provides screening for Spanish speaking individuals walking in for the first time seeking services. Will conduct bio-psychosocial assessments in a time-limited situation requiring a quick grasp of symptomology and diagnosis. Be available for crisis intervention when needed.

Education/Experience

Licensed Clinical Social Worker or Licensed Ph.D./Psy.D. Experience working inpatient or with a walk-in model based program is strongly preferred.

To be considered as a candidate for the above position, please forward an updated resume and salary requirements to Colette Lord, Ph.D., at 619-696-9573 or e-mail clord@comresearch.org. Please see our website for further information at www.comresearch.org. EOE
