 - B. Objective: Increase community partnerships to support cultural inclusion.
 - C. Objective: Mobilize residents to proactively participate in community enhancement activities.

3. Enhance prevention strategies using the public health model:
 - A. Objective: Advance opportunities to create safe, healthy and livable neighborhoods (universal)
 - B. Objective: Improve community health & wellness through resident engagement (secondary)
 - C. Objective: Increase culturally appropriate healthcare services (targeted)

4. Increase advocacy efforts to support policies that:
 - A. Objective: Ensure safe, fair and affordable housing across the continuum of need;
 - B. Objective: Promote economic development to adequately ensure self-sufficiency;
 - C. Objective: Support educational opportunities leading to career pathways;
 - D. Objective: Address community environments and norms to foster health.

“We make a *living* by what we get, but we make a *life* by what we give.”

– Winston Churchill

Mission:

The El Cajon Collaborative builds relationships, leverages resources and promotes best practices to enhance the quality of life for children, youth and families in our community.
